

inventory list Mariendalsvej 57 – double rooms: 57B-4.12, 57B-5.09 and 57B-6.05

Since Danish tenants normally move into rooms without any loose furniture/equipment; The Housing Foundation Copenhagen has provided some basic items for each room that we allocate students to.

The purpose is to assist the international student with the problem of arriving to an empty room, having to immediately go purchase furniture, and equipment – only to have to sell everything again upon departure. However, our basic equipment may not always cover everything that you personally desire and some may want to supplement the equipment yourself (especially items to make it cosy or if you have specialized needs).

The basic equipment belongs to The Housing Foundation Copenhagen and must remain in the room regardless of whether or not you make use of it yourself. **They may also not be left in the common room to avoid their disappearance. If the items are missing during inspection (after you have moved out), then you must pay for the costs of replacement.** You pay a minor amount a month to cover wear and tear – but any damages which occur during your stay will be deducted from your deposit. If any items are missing or damaged (not just worn) upon moving in, please report it in your online Flow.

The below are the items which we have provided and therefore offer service for.
