

To all
Housing Foundations tenants
at Tåsingegadekollegiet

København den 22. september 2020

Housing Foundation Copenhagen will be leaving Tåsingegadekollegiet, Tåsingegade 29, Copenhagen Ø

Housing Foundation Copenhagen has been brought to a situation, where we have decided to announce to the owner – PS Nordicom - that we terminate all the foundation's leases in Tåsingegade 29, 2100 Copenhagen Ø for move out latest at March 31th, 2021. However we expect to move out from all the rooms by January 31th, 2021.

It has no consequences for you as tenant, and your contract will continue until your move out date, latest January 24th, 2021.

Some of you have asked for an extension, but that will not be possible according to the situation. Instead, you are welcome to contact our office for booking another room.

The reason for the termination is a completely inadequate maintenance on the part of the owner of the property. In our opinion, PSN does not appear to be a responsible owner and landlord and apparently shows a lack of respect for the Danish tenancy Act. The condition of the property and the rooms is of such a nature that we in the future can't defend renting out the rooms.

Best regards
